MEMORANDUM FOR: Director of Security

FROM:

Chief, DDA Management Staff

SUBJECT: Computer Security Report

REFERENCE: DCI Guidance for Formulation of FY 1989-93 NFIP, 7 April 87

1. Attached FYI is a copy of the DCI's program guidance for formulating the 1989-1993 NFIP and relevant appendices (Attachment 1) containing information on Agency programs.

2. The guidance calls for a report on Computer Security covering:

- The status of efforts to correct computer security shortfalls in "critical systems" using the SAFEGUARDS security requirements (Attachment 2);
- An overview of the status of initiatives (programs) identified in the joint DCI/SECDEF 18 March 1986 response to Congress (Attachment 3) regarding the protection of intelligence processed in office automation equipment and personal computers; and
- Proposed plans, coordinated with the National Computer Security Center, to add auditing, intrusion detection, and labelling features to automated systems and networks.

3. An update of your November 1986 Computer Security Report (Attachment 4) should satisfy those requirements. Please provide this report to the Management Staff by 10 July 1987. If your staff has any questions, please have them call
